**Problem?
We have the solution.**

MODULAR COMMERCIAL KITCHEN FACILITIES

Carlin Manufacturing, the foremost manufacturer of mobile and modular commercial kitchens, has a long-standing tradition of meeting needs in such areas as high volume commercial kitchens, disaster relief and military field kitchens.

*University of Southern California
Temporary student union with food court,
convenience store & coffee bar*

PLANNED RENOVATION OR UNEXPECTED LOSS OF YOUR KITCHENeither one can be a disaster without the right temporary commercial facilities!

- ◇ KTG & Carlin have unprecedented experience in the engineering, manufacturing and installation of modular kitchen and dining complexes. These facilities are the ideal temporary foodservice solution for the educational environment.
- ◇ We work closely with our clients and their general contractor to provide a health and safety code-compliant temporary kitchen that will meet or exceed the quality and efficiency of their permanent commercial kitchen.
- ◇ We provide facilities to meet requirements of any menu, any volume....anywhere!

Kitchens To Go offers many options for long and short term leases on mobile and modular commercial kitchens. We also provide cold and frozen storage, ware washing, dining, restroom and office facilities. We provide a one-stop solution to satisfy all project requirements.

*United States Naval Academy
Temporary Kitchen Complex serving 4,500 midshipmen
constructed in less than 78 days*
