Portable Beverage Bars
Stylish & Durable CamBars®
Get your party started and uncork your profitability!

From the beginning of your event to the bottom line of your income statement, CamBars® will be the life of the party! Cambro’s full line of stylish, portable beverage bars provide opportunities for hosting in any environment — inside or out, small or large, formal or casual — to help you maximize one of the most profitable components of your business: beverage service.

Everything your bartender needs — including the sink.

Your operator will feel right at home with everything needed for convenient, efficient beverage service, from the speed rail and 80-pound capacity ice sink on all models to the pre- and post-mix options on larger models.

Pool side, banquet hall, hotel lobby, patio, beach side... Any location is the perfect party location: just roll out the CamBar!

- Four swivel casters, 5" (12.7 cm) on small models and 6" (15.24 cm) on large models, allow for smooth transport across carpet, cement or grass.
- Made of durable polyethylene with a polyurethane foam core, CamBars are impact-resistant, waterproof and easy to clean.
- The reinforced aluminum chassis on the BAR730 and the BAR650 and the seamless construction of the BAR540 add structural strength.
- CamBars won’t dent, crack, rust, chip or break—ensuring years of beauty and reliable service.
